Radiation Protection Accessories

Mobile Barriers

Barrier Technologies® Mobile Barriers are made with **Barrier Safe™** Radiation Protection Glass — a laminated, safety, radiation shielding lead glass with **1.6mm Pb equivalent @ 150 kVp** to provide maximum protection.

- Safety - Shatter Resistant Glass Exceeds ANSI Z97.1-1984 & 16 CFR 1201 Cat.II requirements.
- Will not discolor
- Delivered fully assembled

Advantages Over Lead Acrylic:

- Much lighter & easier to maneuver
- Better light transmission
- Superior visual clarity
- Greater resistance to scratching

APRON RACKS

Spider Rack

- Porta-Rack stable apron rack
- Hangers swing forward and backwards
- Ideal for OR and Cath Labs
- 24" Wheel Base
- Available with top mounted glove rack

Wall Mount Swing Arm Apron Rack

- Lead apron rack
- Space saving wall console
- 5 hangers
- Available in right or left swing

Mobile Swing Arm Rack

- Stable mobile apron rack
- Solid steel construction
- 25"W x 28"L x 55"H

Deluxe Hanger

Peg Rack

- Strong steel construction
- White anodized finish
- Easy to install
- Available with top mounted glove rack

Valet Rack

- Heavy duty steel construction
- Holds up to 10 aprons
- 4 Screws for easy install

Table Shielding Drapes

Custom Table Scatter Shield features a saddle back design allowing a secure fit to any style imaging table. The overlapping paneled shields are secured to a padded surface that simply drapes over the table-top, beneath the mattress.

- Pleated lead panels enable staff and c-arm mobility.
- Customized to specific table dimensions, panel lengths or to include table end flaps.
- Constructed of 0.5mm Pb equivalent panels.
- Select from our wide range of UltraFlex™ anti-bacterial/stain resistant fabrics

Protective Blankets

Nylon-covered 0.5mm Pb equivalent protective blanket may be used for shielding patients or equipment.

Porta Shield

Porta-Shield is ideal for patient protection during diagnostic procedures and features adjustable height from 36" to 60" (91.4cm x 152.4cm) with sturdy five leg base for stable mobility. Available in three sizes and covered in royal blue nylon.
